

PLEASE READ CAREFULLY.
BULK PICK UP HAS BEEN CHANGED TO ONCE A MONTH

Bulk pickup will now occur **ONCE A MONTH** on one of your scheduled garbage collection days. Waste Management will provide you with a yearly calendar with the dates of your scheduled collection. The week of August 8th is the first monthly pickup. **Please check the enclosed map for your schedule because the day of the week may be different than in the past.**

NEW BULK WASTE REQUIREMENTS:

- **Bulk service will increase from 6 cubic yards to 15 cubic yards per residence at no additional charge. Fifteen cubic yards is approximately the size of a standard car or 15' long by 7' wide by 4' deep.**
- **Tree Limbs and trunks shall not exceed 5' in length or 75 lbs in weight.**
- **Palm fronds do not need to be cut.**
- **Up to 15 cubic yards will be collected. Bulk in excess of 15 cubic yards will not be picked up and will result in an additional charge of \$13.00 per cubic yard plus franchise fee: total \$15.54 per/yard.**
- **Items that cannot be picked up by a claw truck, such as piles of leaves, small piles of twigs, or other loose material, must be placed in plastic bags of sufficient strength that can be safely lifted without breaking and do not weigh more than 50 lbs. Loose items will not be picked up.**
- **For safety, please place glass items in a disposable box, carton, or crate of sufficient strength that may be lifted while containing its contents. Larger items such as glass tabletops, shower doors or other heavier type glass must be placed separate from the normal bulk for collection. Placing it in with the bulk will subject it to shattering.**
- **Bulk waste collection is for normal residential activities. Commercial businesses, nurseries, and landscapers are prohibited from placing anything out for collection.**
- **Bulk piles should be placed in a location that facilitates the safe collection with an overhead clam truck.**

SPECIAL TIPS:

- **If you don't want to pay for extra service, do not put out more than 15 cubic yards.**
- **If the pile exceeds this amount, only 15 cubic yards will be picked up and the remainder will be tagged.**
- **You will have one week to remove the excessive bulk from your swale or it will become a code violation.**
- **To have the excess tagged items removed and to avoid a code violation, you may:**
 - a) **Call Waste Management at 954-974-7500, option #3 for a special pickup for \$13.00 per cubic yard plus franchise fee, total (\$15.54)**
 - b) **You may also use your green roll-out cart to supplement your disposal needs**
 - c) **Remove tagged items from the swale and put out with the next month's pickup**
 - d) **Call a landscaping company to remove the remaining waste**

- If you wish to have all your bulk waste removed at one time, and you know in advance it is greater than 15 cubic yards, call Waste Management to make arrangements for a special pickup during your scheduled monthly collection. The first 15 cubic yards will be taken at no cost, after that, the \$15.54 rate will apply.
- **REMEMBER: 15 cubic yards refers to the overall dimensions of bulk on your swale.** To make the most out of your allowable amount, stack everything as neatly and closely together as possible. (Air space between items will count towards the 15 cubic yards). For example: A one-cubic yard empty box will count as one full cubic yard. If you flatten the box you will save almost the whole amount.

ITEMS THAT WILL NOT BE TAKEN:

- **Hazardous Waste**
eg: Motor oils, paint, batteries, pesticides
- **Contractor Generated Waste/Landscaping Company Waste**
eg: Construction materials or tree trimmings generated by anyone other than the homeowner, and materials as a result of land clearing.
- **Exempt Waste**
eg: Biological sludge, auto or boat parts, machine parts

Remaining 2005 Collection Dates:

September 12th thru September 17th

October 10th thru October 15th

November 14th thru November 19th

December 12th thru December 17th

Town of Davie Bulk Collection Service Day
